You're always doing business. So are we. The VIP Assurance Plan monitors your website to insure your interactive eHosts and eMotionGraphics are selling for you 24 hours a day...365 days a year.

Always On - We monitor your site to make sure you're ready for business. Each month we do a manual check to insure your installations are working 100%, including contact forms.

Always Current - We update your eHosts and eMotionGraphics so they work with the latest web browsers and updated versions of Flash. You're never out of date.

Always Streaming - Our redundant backup servers and the latest Flash Media Server is your assurance that your interactive installations are always ready for business.

Your *Always There* Technology Partner - You have a great idea, but you're not sure it will work or what it will cost. If there's a technology component, give us a call. We can help you sort through the options and answer your tech questions, usually at no cost.

Free SEO Analysis - Is your website working as hard for you as the rest of your team? Let us give your site a critical Search Engine inspection. Discover new business opportunities with a free SEO analysis.

VIP Discounts - We recognize the value of your business and reward you with discounts on your future projects. We expect to earn your business with our professionalism and service, but a discount doesn't hurt.
